20 February 1961

*Personal*  
Honorable Albert Gore  
United States Senate  
Washington 25, D. C.

Dear Senator Gore:

I am sincerely appreciative of the trouble you took of writing me under date of February 3 with regard to the interesting conversation which you had had on February 1. I have shared this letter on a very restricted basis with one or two others equally interested with me in this particular field.

These days there are rumors that your host may be returning to his homeland. As yet however this is still in the rumor stage.

Sincerely,

*AWD*
